T.H.P. D.A.R.E. UNIT WEB PAGE	6

D.A.R.E. is beginning its 16th school year since the Highway Patrol began training Tennessee D.A.R.E. officers in January 1990. D.A.R.E. has come a long way in Tennessee and Tennessee is one of the premier D.A.R.E. programs in the United States. This recognition is due in no small part to the dedicated law enforcement officers in Tennessee that teach D.A.R.E. daily, giving our children tools necessary to allow them to stay safe and to make wise choices and exercise good judgment.

Tennessee is expanding its D.A.R.E. coverage by dedicated officers being trained in the D.A.R.E. Parent Program and the D.A.R.E. Senior High School curriculum. The D.A.R.E. program can only attain its full

potential by having officers teach the curriculum past the elementary school grades. Studies have shown that students having D.A.R.E. in the 7/8th grades and 9/10th grades show better resistance skills than those that have just been exposed to the 5/6th grade elementary curriculum.

The Training Center has offered the Parent Program training for the past 4 years and the Senior High curriculum training for one year. Please take advantage of these additional tools. Contact the Training center for more detail on D.A.R.E.'s specialized trainings. It is well worth your time and effort as well as your department's to give your communities children all the chances they deserve..

D.A.R.E.**

D.O.T. 35

The Training Center's next D.O.T. is November 27 - December 9, 2005 at the Radisson Hotel Opryland in Nashville. The deadline for submitting applications has passed and the school is full.

To keep up with future training announcement, please check our web site frequently at <http://www.state.tn.us/safety/d.a.r.e/daregreatmain.htm>

T.D.O.A. ANNUAL CONFERENCE & IN-SERVICE, 2006 JULY 10 -13, 2006

This year's 2006 Tennessee D.A.R.E. Officers Association Conference and In-Service promises to be the best ever.

The 2005 Conference saw some 135 Tennessee D.A.R.E. officers come to Gatlinburg to

renew old friendships, meet new D.A.R.E. officers, and absorb new knowledge and ideas that can be carried back to their schools and communities. The conference was P.O.S.T. certified for 32 hours in-service credit as will be the 2006 conference.

Due to the devastating hurricanes of this fall, the 2006 Tennessee D.A.R.E. offices conference will be shared with the Mississippi D.A.R.E. Officers Association.

The 2006 conference again returns to Gatlinburg at the

D.A.R.E. SUPPLEMENTAL LESSON

For those of you with experience in the previous elementary curriculum, prior to 2002, you will be pleased to know that D.A.R.E. America has brought back one of the best lessons of that curriculum, "Having Positive Role Models." For those of you with experience only in the current curriculum, this is a lesson that really impacts your elementary students.

The Role Model lesson is a supplemental lesson that gives you the option of bringing in high school seniors with outstanding role model traits to talk with your 5th/6th grade D.A.R.E. students. This lesson needs to be done prior to lesson 9 so the students have this experience before writing their "D.A.R.E. Report." The lesson is very complete and contains pointers and tips for both you and the high school role models you select.

I truly enjoy this lesson and, properly done, it always makes a big impact on D.A.R.E. students since they are able to discuss many topics with local students that have been totally drug free for their entire life. This supplemental lesson is ready now for you to use and you may obtain a copy from any of the T.H.P. D.A.R.E. Unit troopers or by e-mail by contacting me. It is in Microsoft Word format and ready to print.

The Training Center staff will be more than happy to assist you with any questions or preparation concerns you have with this

They're our kids. Our future. Our legacy. And we all want the same thing for them-the best.

We want their futures to be bright, secure, healthy and safe. And we want them to succeed. We want them to join us in the worlds of business and commerce, law and medicine, manufacturing and selling, teaching and serving.

That's why we care. We care about their ability to cope with the challenges
